

Realization of V4 Small Grants projects in Tatabánya region, the programs of “Good luck (Jó szerencsét) Memorial Year” in 2017

Mr László BÁRSONY certified mining engineer

Along the Tatabánya Mining Road mining memorial places (19 ones at the moment) are marked with numbers. These marked points contain one or more memorial objects of various appearance forms related to mining (e.g. mining museum; cultural site, art treasure; building and monument) which will be seen on the project homepage in digital form. Along the mining road a number of average buildings built by mining can also be found.

“Good luck (Jó szerencsét) memorial year”

General assembly of Tatabánya town of county rank - paying its respect to the technical, town-building and cultural results of the **110-year-old** regional mining, and with reference to the **120-year-anniversary** of bringing the first mining car with coal to the surface, moreover, **70-year-anniversary** of raising Tatabánya to town rank – declared the **2017th year** to be “**Good luck (Jó szerencsét) memorial year**”.

During the memorial year the only historic building, the **Mining Officers’ Casino (Bányatiszti Kaszinó)** will be renovated giving back its original form.

In the basement of this building a **surface model** of 200 m² area illustrating mining in Tatabánya and an interactive **playhouse** will be established. The **Industrial Village Museum (Ipari Skanzen)** will be enlarged further, and mining memorial places in each town part will be also developed.

A new brewery will be built to produce the **Good luck (Jó szerencsét)** and **Poacher (Vadorzó)** trade-name beers.

At the approaching roads of the town the notice “**Good luck (Jó szerencsét)**” will greet the visitors.

A number of public mining works of art will be realized.

A **cycle track** will be constructed along the **afore-marked mining road**.

A **mining sculptural park** will be established in the neighbourhood of Lake-Ligeti.

A lot of great events/festivals will be organized.

The most important ones are as follows: opening ceremony (December 23rd, 2016); Good luck (Jó szerencsét) Conference (April 7th, 2017); European Festival of Mining Towns (August 31st, 2017); National Miners' Day (August 31st, 2017); and closing ceremony (October 10th, 2017).

Selmecebánya, April 21st - 22nd, 2016.
